

Fall Fill PowerMax Program Running Now

Once again, we are offering our fall fill program. Bring in your Powermax shuttles to be filled at our lowest price of the year. Call Tammy or Tia for our limited special pricing that is backed up with a price protection guarantee.

Fall Fertilizer Prices Set

Call or stop in to get pricing on our fall fertilizer. Our fall services will also be including: custom soil testing, custom fertilizer application, and fertility recommendations to help you get the most out of every acre. With Soybean Cyst Nematode being so prevalent in our region, we also recommend SCN testing after harvest to help with crop selection for future years.

Grain Bids on Your Phone

If you would like to receive our grain bids via Text or email please contact our office and we will set you up to receive our bids daily at 2:35 pm.

Electronic Statements

As we move toward a more electronic society and industry we are strongly looking at providing electronic invoices and statement. This would allow you to receive both on a very timely manner and have an electronic copy for your bookkeeping. As we prepare for this please watch for more information to come via mail.

Lien Holder on Checks

If you have added a new lien holder to your business please let our office staff know so this can be set up in our system for when payments are made. If you have paid off a lien and a lien holder should be taken off also please notify our office. We are required to put all lien holders on checks made.

Delayed Pricing Program for Corn and Beans

Red River Grains Delayed Pricing program for corn and beans will be \$.04 per bushel per month with no minimum. All grain put on delayed pricing will have to be priced by September 22, 2017.
